

DriverDash

The control of your fleet card.
The power of mobile payment.

The DriverDash app provides seamless, secure transactions right from a mobile device, allowing employees to spend less time at the pump and more time on the road.

Why should your employees use DriverDash?

- Enter accurate odometer readings from inside the vehicle
- Increased protection against card skimming and fraud
- Automatic electronic receipt capture
- No more lost cards or forgotten PINs
- Locate the closest stations and get directions
- Pay for car washes*
- Link your rewards card to earn KickBack® Points*

*Where available

It's fast, easy, and free:
Get started in 3 easy steps:

1

Log in to your online fleet card account and invite your employees to use DriverDash**

2

Employee receives an email to create a username and password and is provided links to download the app

3

Employee downloads the app and logs in with their newly created credentials

Once logged in, look for the DriverDash banner on the homepage. Alternatively, depending on your account setup, you can either go to **Cards > View Cards or **Cards > View Drivers** and use the **Actions** menu and select **Add DriverDash Access**.

Available at most Phillips 66®, Conoco®, and 76® stations.
