

WEX Account and Services Agreement

This WEX ACCOUNT AND SERVICES AGREEMENT, together with the related credit application, schedules, and amendments (collectively, the “**Agreement**”) govern the establishment and use of one or more accounts and associated cards provided by WEX Bank, a Utah industrial bank (“**Issuer**”), to the business that has been approved by Issuer to receive such account(s) and services (“**Company**”). Issuer and Company may be referred to in this Agreement individually as a “**Party**” and collectively as the “**Parties**.”

GENERAL TERMS

1. Use of Account.

1.1 Subject to the terms and conditions of the Agreement and Issuer’s approval of Company, Issuer agrees to provide one or more Accounts and associated Cards for Company’s use. Issuer will process transactions on the WEX Network or on a Third Party Network as specified in the applicable Schedule. Company and Account Users designated by Company may use the Account in accordance with this Agreement. Any Affiliate of Company may participate under this Agreement if such Affiliate **(a)** agrees to the terms of this Agreement by executing an Affiliate Agreement Form as provided by Issuer, and **(b)** is approved by Issuer in its sole discretion.

1.2 Company agrees that the Account and associated Card(s) may only be used for business purposes, and not for any personal, family, or household purposes, or for the any purchase of lottery tickets or other games of chance, gift cards, pre-paid cards or other cash equivalent charges, all of which are prohibited. Company shall maintain and comply with internal policies and controls to ensure strict compliance with the foregoing.

1.3 In connection with Company’s use of the Account, Issuer will provide access to Issuer’s online account management system, websites, mobile applications, or other electronic online products, as applicable (each and collectively, the “**Online Portal**”), for Company and its Account Users to manage the Account and Cards, view transactions, and run reports. The Online Portal may only be used in connection with Company’s use of the Account and subject to the policies and terms of use posted therein, the terms of this Agreement, and any additional terms and conditions otherwise provided or made available to Company by Issuer. Access to and use of the Online Portal by Company and designated Account Users shall also be in accordance with, and subject to, Issuer’s security protocols and policies including, without limitation, WEX’s third-party user agreements and terms and conditions. Company shall not, and shall ensure Account Users do not, tamper with, compromise, or attempt to circumvent any physical, technical, or administrative controls or security measures or otherwise compromise the security of the Online Portal.

2. Account Users.

2.1. Company shall designate Account Users as well as those contacts authorized to: **(a)** provide Issuer with the information necessary to establish and maintain Account(s), Cards, and IDNs; **(b)** provide all Account User and other information; **(c)** receive all Account numbers, Cards or reports; **(d)** receive other Account information; and **(e)** select additional products and/or services that may be offered by Issuer or any of its Affiliates. Company remains liable for any unauthorized

access or use until Issuer receives notice of any change in or removal of any Account User or contact. Issuer is authorized to take instruction from any Account User or contact with actual, implied or apparent authority to act on Company’s behalf, and unless Company reports any errors in the provided information, Issuer is entitled to rely on that information for servicing the Account. Company shall ensure that each Account User complies with the terms and conditions of this Agreement. Company is liable for any employee misuse of Cards or Accounts.

2.2. Company will provide prompt notice of any change or removal of any contact or Account User or any revocation of any Account User’s authority, either in writing, by telephoning Issuer’s customer service department, or through the Online Portal. Company shall remain liable for all Transactions and Unauthorized Use until such notice is received by Issuer and Issuer has a reasonable time to act on the notice, notwithstanding whether any such use is consistent with any limitations on use imposed by Issuer.

2.3. Company agrees to keep IDNs confidential and ensure that its personnel and Account Users do not disclose any IDN. Company is liable for any Unauthorized Use that results if Account User or other personnel discloses an IDN or writes an IDN on a Card, even if the disclosure is inadvertent or unintentional. Company shall not provide actual, implied or apparent authority to any Person to use a Card or the Account except for an Account User.

3. Credit Limit and Authorizations.

3.1 Issuer may in its sole discretion extend credit and establish Accounts. Issuer may, at any time, investigate the financial condition of Company or as applicable, its Affiliates. If Company is not a publicly traded company, at the requested of Issuer, Company shall promptly furnish Issuer with copies of its most recent financial statements acceptable to Issuer that were prepared no later than one hundred twenty (120) days following the end of its fiscal year. Company shall provide financial statements prepared in accordance with generally accepted accounting principles consistently applied and shall be in accordance with the books and records of Company. Any financial information submitted shall be kept confidential by Issuer.

3.2 Issuer will inform Company of the Credit Limit assigned to the Account. Company shall ensure that the balance of the Account does not exceed the assigned Credit Limit. Issuer may change the Credit Limit in its sole discretion without prior notice, except as may be required by applicable law. Issuer may, but is not required to, permit Company to exceed its Credit Limit. Company must comply with the Credit Limit even if Issuer has previously permitted Company to exceed the Credit Limit. If Company exceeds its Credit Limit, at Issuer’s request, Company shall immediately pay the amount over the Credit Limit and any associated fees as set forth in the applicable Schedule or the entire balance due on the Account.

3.3 Issuer may suspend an Account or refuse to authorize any Transaction in its sole discretion for any reason, and specifically in the event that: (a) any balance is past due; or (b) the amount of the Transaction plus the outstanding balance (including Transactions authorized but not yet posted) exceed the Credit Limit.

4. Card Controls.

4.1 Company may request via the Online Portal that Card Controls be applied to the Account. The availability and effectiveness of Card Controls are dependent upon each merchant's adoption of WEX's Card specifications and the information, including product codes, that the merchant transmits to Issuer. The product codes are assigned by each merchant and not by Issuer. Card Controls for Cards processing Transactions on a Third Party Network may also be dependent on information provided by the Third Party Network provider, such as their categorization of the merchant. In addition, some Card Controls are not enforceable at point-of-sale terminals due to equipment restrictions at the merchant location. There are inherent limitations on the ability of Card Controls to limit the use of Cards in the manner intended.

4.2 Issuer may, in its sole discretion and without prior notice, modify Card Controls for the purpose of, among others, the prevention of suspected fraudulent activity. Issuer may apply default Card Controls on its portfolio of accounts. Issuer will use reasonable efforts to notify Company after any modification to a Card Control setting is made. Company shall review and manage the account set-up for all Cards based on Company's specific purchasing needs. Company agrees it is responsible for reviewing fraud control data provided by Issuer for the purpose of detecting fraud that may occur within Card Control parameters.

4.3 Default Card Control values are modified through the Online Portal. More detailed information and certain limitations regarding Card Controls are provided online. Only Transactions submitted for authorization are subject to Card Controls and those Card Controls can only be enforced when the merchant provides sufficient information as part of the authorization.

4.4 Card Controls are provided for the convenience of Company in its efforts to manage usage of Cards and the Account. Issuer encourages Company to set Card Controls in a manner that Company determines is most likely to conform usage of Cards and the Account to the purposes determined by Company. However, Issuer is not responsible for the prudence of any particular Card Control level selected by Company. Company shall be liable for all Transactions, regardless of Card Control settings selected by Company or the effectiveness of such controls.

5. Billing and Payments.

5.1 Issuer will provide or make available to Company transaction data or a billing statement, as applicable, for each Billing Cycle in which the Account has activity. Company agrees to pay Issuer in full on or before the relevant cutoff time on or before the Due Date, as specified on the billing statement. Company is encouraged to receive billing statements electronically and make payments electronically to ensure that each payment posts by the applicable Due Date.

5.2 Company will pay Issuer for all credit extended under the Account, as well as any fees and charges, as provided in this Agreement. Company is liable for all Transactions on the Account to the fullest extent permitted by applicable law, except as expressly provided in this Agreement. Company may pay the entire balance of the Account or a portion of it, at any time prior to its Due Date without penalty.

5.3 All payments must be made in United States dollars,

using checks or similar payment instruments drawn on financial institutions in the United States or by payment through the Automated Clearing House network in accordance with Issuer's requirements.

5.4 Regardless of payment method, Company must ensure that Company's account number is provided with the payment. Failure to do so will cause processing delays in posting the payment to the Account. Payments that are received at locations other than the address specified on the billing statement, or that do not otherwise comply with instructions on the billing statement or the Agreement, may be delayed in posting.

5.5 Payments will be applied first to fees and then to other amounts owing on the Account. Issuer, in its sole discretion, may determine when to restore available credit in the Credit Limit after crediting a payment to an Account.

5.6 Company may be offered discounts and/or rebates from time to time. Such discounts and/or rebates may be suspended, modified, or discontinued at any time without prior notice and may not be applicable to all product types. In addition, certain conditions in order to earn or receive the rebate or discount, such as but not limited to, maintaining the Company's Account in good standing, will apply and be provided to Company when such offers are made.

6. Additional Products and Features

6.1 Reports. Issuer provides Transaction data for the Account to the Company as transmitted by merchants. Issuer will report the data received from merchants and as such is not liable for the accuracy or completeness of the data received, posted, or contained in any specialty reports, management reports, data services, or other information services provided. Company is responsible for reconciling that data. In addition, Company understands that in the event an error is identified in a report, such as an incorrect product code, Company is still liable for the Transaction, but may follow the dispute process as described in this Agreement.

6.2 Modifications. Issuer will deliver to Company enhancements, updates or upgrades to the Cards, Accounts, and Card Controls that Issuer makes generally and commercially available to other similarly situated customers without any additional fee. In the event Company requests additional modifications, including to the online application, and Issuer makes a reasonable business determination that the requested modifications or technical support entail specialized modifications or services different from the kind or amount provided to other similarly situated customers (including, but not limited to, custom software or operational development work or assistance to enable interfacing with a non-supported, unusual, or proprietary system), Issuer will notify Company if the requested modification may be available as a service from an Affiliate of Issuer, subject to additional fees and other applicable terms as set forth in a separate statement of work as agreed between such Affiliate and Company. Issuer, in its sole discretion, may decline to make any modifications, including if such modifications will impact other customers of Issuer. Issuer may, at any time, elect to terminate or modify products or services described in this Agreement, or provided in connection with the Account in which Company or an Account User has enrolled, upon thirty (30) days' prior written notice to Company, and without such notice due to changes in

law or if required by regulatory authorities.

7. Late Fees.

7.1 If Company fails to make payment in full by the applicable Due Date, or a payment is returned (each a “**Payment Default**”), then a fee (the “**Late Fee**”) will apply as set forth in the applicable Schedule. Company will be considered to have made a payment to Issuer on an Account only when the payment is posted to the Account as provided in this Agreement.

7.2 Issuer will not charge a Late Fee if the unpaid portion of the invoice as of the Due Date is \$10 or less.

8. Other Fees.

In addition to Late Fees, Company agrees to pay any additional fees and applicable sales taxes in the amounts and as described in the applicable Schedule.

9. Disputed Amounts.

9.1 In General. Company shall use its best efforts (but in no event less than commercially reasonable efforts) to resolve any disputes regarding Transactions directly with the relevant merchant, including any dispute related to the quality of goods or services that are purchased in a Transaction or any warranty received in connection with a Transaction. For any disputes which cannot be resolved with a merchant directly, Company may dispute a Transaction if: **(a)** the amount does not reflect the face value of the Transaction (*e.g.*, based on the amount charged by the merchant or reflected in a receipt from the merchant); **(b)** the amount being disputed is a fee that is not properly accrued under this Agreement; or **(c)** Company does not believe it is liable for the amount, as further described in the applicable Schedule.

9.2 WEX Network. Transactions on the WEX Network must be disputed in writing within sixty (60) days from the billing date or they will be final and binding. All billed charges must be paid in full regardless of reported disputes. Upon receipt of a dispute, including any supporting documentation required by Issuer, Issuer will use reasonable efforts to investigate the dispute. In the event that Issuer determines the dispute is due to an error by Issuer, Issuer will, as Company’s sole and exclusive remedy, correct applicable data or reports, including invoices, if any. If the dispute is related to an act or omission of a merchant, the Transaction may qualify for chargeback to such merchant. Issuer will use reasonable efforts to charge the Transaction back to the merchant in accordance with Issuer’s procedures under its merchant acceptance agreement with such merchant. Any chargeback paid by the merchant to Issuer will be credited to the applicable Account. Company may be liable for the Transaction if the disputed item is not due to an error by Issuer and cannot be charged back to the merchant.

9.3 Third Party Network. If a Transaction is processed on a Third Party Network, such Third Party Network rules shall govern the dispute process, including in the event a longer dispute window is permitted or required. Upon receipt of a dispute, including any required supporting documentation, Issuer will submit the dispute to the Third Party Network provider in accordance with the Third Party Network rules. Company agrees to pay any costs assessed by the Third Party Network provider in connection with chargebacks (whether successful or not), if applicable. Any chargeback paid by the merchant to Issuer will be credited to the relevant Account.

Company is liable for the Transaction if the Transaction cannot be charged back to the merchant.

10. Unauthorized Use.

10.1 Except as provided in Section 10.3, Company will be liable to Issuer for all Unauthorized Use: **(a)** that occurs if a Card or Account is lost, stolen or is otherwise compromised; or **(b)** that occurs before Company provides Issuer with immediate notice to Issuer as required in this Agreement or by applicable law or card association rules that a Card is lost or stolen or other possible Unauthorized Use of an Account; or **(c)** Issuer determines that such Unauthorized Use could have been prevented by Company if it had maintained and followed reasonable security precautions and controls surrounding the Cards or Accounts. A failure by an Account User to comply with Company’s internal policy regarding use of an Account or Card does not, by itself, result in Unauthorized Use of an Account or Card. Notwithstanding the foregoing, if a Transaction is processed on a Third Party Network, then in the event the rules applicable to the Third Party Network mandate greater protection for Company, the applicable Third Party Network rules will prevail.

10.2 If Company or an Account User knows of or suspects the loss or theft of a Card or Account or possible Unauthorized Use, or if Company would like to terminate authority of an Account User to use a Card or Account, Company will notify Issuer immediately via the Online Portal or by calling the customer service number set forth on their Cards or as specified in the applicable Schedule. Company shall adopt and maintain reasonable security precautions and controls to prevent Unauthorized Use.

10.3 If Issuer has provided Company with fewer than ten (10) Cards to access the Account, Company’s liability for Unauthorized Use of a Card will be limited to the lesser of fifty dollars (\$50) or the amount of money, property, labor or services obtained by the Unauthorized Use of the Card before notification is provided to Issuer of a lost or stolen Card or potential Unauthorized Use of a Card. The limitation on liability for Unauthorized Use of a Card as described in this Section 10.3 shall apply irrespective of any other provision of this Agreement and this Section 10.3 shall control in the event of any inconsistency between this Section 10.3 and any other provision of this Agreement.

10.4 Company will use reasonable efforts to recover a Card from any Person whose authority to use Company’s Account has terminated or from any unauthorized individual with possession of or access to a Card. Company will give Issuer and any law enforcement authority reasonable assistance with any investigation and prosecution with respect to Unauthorized Use, including without limitation, obtaining an affidavit or similar written, signed statement from the applicable Account User.

11. Representations and Warranties by Company.

Company represents and warrants to Issuer that: **(a)** the person signing this Agreement on behalf of Company has the requisite power and authority to contractually bind Company under this Agreement; **(b)** this Agreement constitutes the legal, valid, binding, and enforceable agreement of Company; and **(c)** Company’s execution and performance of this Agreement **(i)** does not constitute a breach of any agreement between Company and a Person other than Issuer, or of any duty of

Company arising at law or in equity, **(ii)** does not violate any law, rule or regulation applicable to Company, and **(iii)** has been duly authorized by all necessary organizational action of Company.

12. Other Obligations of Company.

12.1 Company shall provide information and documentation requested by Issuer for purposes of Issuer's compliance with federal law related to customer identification and verification, including, but not limited to, name, address, date of birth, and other application information to identify the Company and/or Account Users

12.2 For Issuer's compliance with banking and credit underwriting standards, Company shall provide written notice to Issuer: **(a)** in advance of any change to its legal name or in the ownership of Company; **(b)** in advance of any change in the organizational structure of Company, including any merger or reorganization, or sale of substantially all of Company's assets; **(c)** immediately if Company becomes insolvent or the subject of bankruptcy or insolvency proceedings; or **(d)** immediately after any appointment of a receiver or trustee for the benefit of creditors of Company.

13. Amendment.

Company agrees that Issuer may change any part of this Agreement, including without limitation the rates, charges, fees and other terms of this Agreement, and that Issuer may introduce new rates, charges, fees and other terms of this Agreement to the fullest extent permitted under applicable law. Any change in the terms and conditions of the Account may be applied to the outstanding balance on the Account to the extent permitted under applicable law. Issuer will provide at least thirty (30) days' prior written notice to Company before making any such changes.

14. Term and Termination.

14.1 Term; Termination. This Agreement is effective upon the date of the last signature hereto and will continue for a period of three years (the "**Initial Term**"), unless earlier terminated pursuant to the terms of the Agreement. After the Initial Term, unless either Party provides written notice of non-renewal to the other Party at least ninety (90) days prior to the end of the then-current term, the term of the Agreement shall automatically renew for successive one-year periods (each, a "**Renewal Term**" and collectively with the Initial Term, the "**Term**").

14.2 Issuer may terminate this Agreement during the Term for any reason. Issuer will provide notice of termination if required by applicable law, provided that Issuer may terminate Inactive Accounts without notice. Termination of all Accounts will automatically terminate this Agreement. Company may terminate the Agreement upon 30 days' prior written notice to Issuer or by calling the number on the back of Company's Cards. Issuer's right to terminate this Agreement pursuant to this Section 14 are in addition to Issuer's termination rights otherwise set forth in this Agreement, including without limitation under Section 15 (Default by Company).

14.3 Intentionally Omitted.

14.4 Obligations Upon Termination. In the event the Agreement is terminated by Company, any rebates payable to Company by Issuer or WEX Inc., as the case may be, shall immediately terminate and the standard fees set forth in this Agreement (i.e., without any rebate or discount) shall apply for

the remainder of the Term. After termination, Issuer shall have a reasonable amount of time to terminate the Account. Company shall not use a Card or the Account to make a purchase after termination of this Agreement. Company shall return to Issuer, or provide verification of the destruction of, all Account numbers or Cards. Company may retain a copy of any records or Account information for archival or data retention purposes.

14.5 Survival. Notwithstanding the termination of the Agreement as set forth herein, the terms and conditions of this Agreement shall continue to apply until all amounts owing with respect to the Account are paid in full (including all amounts owing on an Account and charged under this Agreement) and Company has performed all of its obligations under this Agreement. Those provisions of this Agreement that by their nature are intended to survive termination or expiration of this Agreement in order to give them full force and effect will survive the termination or expiration of this Agreement, including the Parties' confidentiality obligations.

15. Default by Company.

15.1 Company will be in "Default" under this Agreement if: **(a)** Company fails to perform any obligation under this Agreement; **(b)** a representation or warranty by Company in connection with this Agreement was incorrect or misleading when made; **(c)** any petition in bankruptcy, insolvency, receivership, or reorganization or proceeding pursuant to any other debtor relief law is filed by or against Company; **(d)** any order is entered appointing a receiver, custodian, trustee, liquidator, or any other person with similar authority over the assets of Company; **(e)** there is an insolvency, dissolution, reorganization, or assignment for the benefit of creditors with respect to Company, or any other material adverse change in the financial condition of Company; **(f)** any adverse judgment, order or award is entered against Company that has a material adverse impact on the financial condition of Company or a detrimental effect on the ability of Company to perform its obligations under this Agreement; **(g)** Company is in default under any other agreement between Company and Issuer or its Affiliates; or **(h)** any event described in this Section 15.1(a) through (g) occurs with respect to any Guarantor or any Guarantor repudiates or otherwise defaults in its obligations under a guaranty.

15.2 If Company is in Default: **(a)** Company will not have any further right to borrow under this Agreement; **(b)** Issuer may declare all outstanding amounts under the Account to be immediately due and payable; **(c)** Issuer may terminate this Agreement; and **(d)** Issuer will have the right to bring suit and exercise all rights and remedies available under applicable law or in equity. In addition, if Company is in Default, Issuer may, in its sole discretion, suspend all services and obligations, shorten the billing cycle, and change the payment terms. A suspension of services or obligations will not be deemed a waiver of any right to terminate this Agreement, whether as a result of the Default to which such suspension of services or obligations relates or otherwise. Company agrees to pay any and all costs (including reasonable attorneys' fees) incurred by Issuer in enforcing Company's obligations under this Agreement. If Issuer suspends all services and obligations, Company agrees to pay any applicable Reactivation Fee set forth in this Agreement.

16. Foreign Transactions.

16.1 Accounts and Cards are issued for use by Company's United States based operations. Company may not distribute a Card to a Person based outside of the United States. If Transactions are made in any country other than the United States, Company will: **(a)** be billed in U.S. Dollars; **(b)** receive reporting in English; and **(c)** pay the currency conversion fee as set forth in the applicable Schedule.

16.2 Any Transaction made in a foreign currency shall be converted into U.S. Dollars before the Transaction is posted to the Account. The exchange rate between the Transaction currency (the foreign currency) and the billing currency (U.S. Dollars) used for processing an international Transaction is a rate selected by Issuer using rates available in wholesale currency markets for the date that the Transaction is posted by Issuer, which rate may vary from the rate Issuer itself receives, or the government mandated rate in effect at that time. The conversion rate used on the posting date may differ from the rate applicable on the date of the Transaction.

17. Limitations on Liability.

17.1 Issuer and its Affiliates are not liable for any loss sustained by Company or any other Person resulting from any act or omission by Issuer or any other Person, whether with respect to the exercise or enforcement of its rights or remedies under this Agreement or otherwise, unless the loss is caused by Issuer's gross negligence or willful misconduct. Issuer's liability shall be limited to actual damages incurred by Company as a direct result of Issuer's gross negligence or willful misconduct. Furthermore, Issuer's liability for actual damages shall not exceed the sum of: **(a)** all fees paid by Company to Issuer under this Agreement in the twelve (12) month period prior to the date when any claim is made against Issuer; plus **(b)** all other revenue earned by Issuer for all of Company's Transactions made in the twelve (12) months prior to the date of any claim made against Issuer. In no event will Issuer be liable for incidental, special, consequential or punitive damages and Company expressly and unconditionally waives any right to such damages. Except as otherwise required under applicable law, Issuer makes no warranty with respect to goods, products, merchantability, or services purchased with a Card or the Account, or through Issuer. Issuer is not responsible for any failure of a merchant to accept the Account or a Card.

17.2 Issuer and its Affiliates are not liable to Company for any loss, liability or damages that Company suffers as a result of, related to, or in any way are connected with any Card Control, fraud control or purchase restriction measures Issuer elects to implement from time to time, unless such loss, liability or damage is a direct result of Issuer's gross negligence or willful misconduct.

18. Waiver of Jury Trial.

18.1 THE PARTIES AGREE VOLUNTARILY, INTENTIONALLY AND IRREVOCABLY TO WAIVE ALL RIGHTS TO TRIAL BY JURY IN ANY PROCEEDING INSTITUTED IN ANY COURT, ARISING OUT OF THIS AGREEMENT.

18.2 Company waives personal service of process in connection with any action or proceeding commenced by Issuer in connection with this Agreement, and agrees that service may be made by overnight courier or U.S. certified mail to the last known address in Issuer's records.

19. Dispute Resolution.

19.1 In accordance with the procedures outlined in this Section 19 (Dispute Resolution), any action, dispute, claim or controversy of any kind, whether in contract or tort, statutory or common law, legal or equitable, or under any applicable law, now existing or hereafter arising under or in connection with, or in any way pertaining to, this Agreement ("**Dispute**") will be resolved expeditiously, amicably, and at the level within each Party's organization most knowledgeable about the Dispute. Throughout the Dispute resolution process, each Party will continue to perform its obligations under this Agreement.

19.2 General. The complaining Party's representative will notify the other Party's representative in writing of a Dispute, and the non-complaining Party will exercise good faith efforts to resolve the matter as expeditiously as possible. In the event that such matter remains unresolved ten (10) Business Days after the delivery of the complaining Party's written notice, senior representatives of each Party will confer in an effort to resolve the Dispute. If the Parties do not reach a resolution of the Dispute, it will be resolved by binding arbitration in accordance with the terms of this Section 19 (Dispute Resolution), except as otherwise set forth below. A Party who fails or refuses to submit to arbitration following a lawful demand by any other Party will bear all costs and expenses incurred in compelling arbitration of any Dispute.

19.3 Governing Rules. Arbitration proceedings will be administered by the American Arbitration Association ("**AAA**") and conducted in accordance with the AAA Commercial Arbitration Rules, or such other administrator and rules as agreed by the Parties. If there is any inconsistency between the terms of this Agreement and any such rules, the terms in this Agreement will control. The arbitration will be conducted at a mutually-agreed upon location in the jurisdiction whose law governs this Agreement, or as selected by the administrator if no agreement can be reached ("**Arbitration Location**"). The Parties hereby waive any claim of *forum non conveniens*. All Disputes submitted to arbitration will be resolved in accordance with the Federal Arbitration Act (Title 9 of the United States Code). All statutes of limitations applicable to any Dispute will apply to any arbitration proceeding. All discovery activities will be expressly limited to matters directly relevant to the Dispute being arbitrated. A judgment upon any award rendered in an arbitration may be entered in any court having jurisdiction.

19.4 No Waiver; Provisional Remedies. The Parties agree that pursuing arbitration of a Dispute will not limit a Party's right to seek provisional or ancillary remedies, including injunctive relief, attachment or the appointment of a receiver, from a court of competent jurisdiction in the Arbitration Location or elsewhere, whether before, after or during any Dispute resolution activity. The exercise of any such remedy will not waive the right of any Party to compel arbitration or referral under this section.

19.5 Arbitrator Qualifications and Powers; Awards. Arbitrators must be active members of the official licensing organization for attorneys in the Arbitration Location or retired judges of the judiciary of the Arbitration Location, with expertise in the substantive applicable law relating to the subject matter of the Dispute. Arbitrators are empowered to resolve Disputes by summary rulings in response to motions filed prior to the final arbitration hearing. Arbitrators: (a) will

resolve all Disputes in accordance with the substantive Governing Law as set forth in Section 23.3 (Governing Law); (b) may grant any remedy or relief that a court of the Governing Law jurisdiction could order or grant and such ancillary relief as is necessary to make effective any such award (but in no event will the arbitrator have the authority to award damages that exceed the scope of this Agreement); and (c) will have the power to award recovery of all costs and fees, to impose sanctions and to take such other actions as they deem necessary to the same extent a judge could pursuant to the rules of civil procedure in the Governing Law jurisdiction. Any Dispute in which the initial amount in controversy is One Million Dollars (\$1,000,000), or its equivalent, or less may be decided by a single arbitrator. Any Dispute in which the initial amount in controversy exceeds One Million Dollars (\$1,000,000), or its equivalent, will be decided by majority vote of a panel of three arbitrators; provided however, that all three arbitrators must actively participate in all hearings and deliberations.

19.6 To the maximum extent practicable, the arbitrators and the Parties will take all action required to conclude any arbitration proceeding within one hundred eighty (180) days of the filing of the Dispute. No arbitrator or other Party to an arbitration proceeding may disclose the existence, content or results thereof, except for disclosures of information by a Party required in the ordinary course of its business, by Applicable Law, or to the extent necessary to exercise judicial review rights as set forth herein.

19.7 In all Disputes, the prevailing Party is entitled to recover its reasonable legal counsel fees (including, if applicable, reasonable charges for in-house counsel), and other legal expenses from the non-prevailing Party.

20. Confidentiality.

All information furnished by or on behalf of either Party or any Affiliate of Issuer in connection with this Agreement will be kept confidential, using the same degree of care it uses to safeguard its own confidential information, and will be used by the other Party only in connection with this Agreement or as otherwise expressly set forth herein, except to the extent that the information: (a) was in the possession of the receiving Party without restriction on disclosure at the time of the disclosure; (b) was provided to the receiving Party by a third party who was not under a restriction on disclosure with respect to such information; (c) is or has become publicly available other than through an act or omission of the receiving Party in breach of this Agreement or other restriction on disclosure; (d) was independently developed by the receiving Party without reference to the disclosing Party's confidential information or (e) is required by law to be disclosed, provided that notice of the disclosure has been given (unless such notice is legally prohibited) to the disclosing Party by the receiving Party, which notice, to the extent practicable, shall be given sufficiently in advance of the proposed disclosure to permit the disclosing Party to contest the validity or scope of the disclosure. Nothing in this section or this Agreement prohibits Issuer from providing any information to its Affiliates or third-party servicers in connection with the operation and maintenance of Account or Cards, and Company expressly agrees to these disclosures and use of information, provided that such Affiliates and third-party servicers agree to maintain the information in confidence. If Company requests Issuer to

provide Company's information to any of Company's third-party service providers in connection to Company's use of Account or Card, Company will defend, indemnify and hold harmless Issuer and its Affiliates, their employees, officers, directors, agents, assigns and successors-interest against any and all claims, actions, proceedings, demands, judgments, losses, expenses, damages, liabilities, fines or penalties arising from or relating thereto. In addition, Company agrees and understands that Issuer may use data and statistics generated from transactions made using the Account or Card, including to provide or develop additional products and services and as set forth in Section 21 (Program Information).

21. Program Information.

Transaction information related to the Account may be provided to merchants who accept the Card as payment for goods and services. Issuer and its Affiliates may use and disclose information obtained by Issuer in operating its card programs, including Transaction information and/or identifiable information of the Company (collectively, "Program Information") for the purpose of operating Issuer's and its Affiliates' business, delivering, improving, and customizing their respective services, sending communications related to their respective business, and for other legitimate purposes permitted by applicable law. Without limiting the foregoing, Issuer may provide Program Information to its Affiliates and third parties which provide goods or services to commercial enterprises and Company understands that Issuer, its Affiliates, including but not limited to WEX Inc., and third parties may contact Company to offer additional products or services. If Company chooses to enroll in any such product or service offered by Issuer, its Affiliates or a third party, Company may be required to complete additional enrollment forms or agreements, and/or agree to additional terms and conditions (which may include fees for use) with respect to such products or services.
